

The 369th Historical Society's Annual Awards Dinner & Dance in honor of Women's History Month.

One of our own COL (R) Andrew B. Leider was awarded this year's Knolma Lolita Duckett Award for service to our country.

The gala event was attended by over 110 present and former military personnel and guests at the Eastwood Manor in the Bronx.

A number of our Chapter members were in attendance to not only support one of our own but also to support the 369th Historical Society.

The mission of the 369th Historical Society is to collect, preserve, and maintain historical data of the 369th Historical Society and of the soldiers who served.
